

Evidence to Action

Research to Address Illegal Wildlife Trade
9 October 2018 • London, UK

#IWT18 #Research4IWT

Bring together researchers and end-users across all sectors, to find new ways of working together

CALL FOR CONTRIBUTIONS

15 June to 6 July

- Demonstrate how strong evidence base can shape policy and guide effective action
- Address pressing issues, gaps and evidence needs
- Showcase and promote cross-sector collaborations and diverse perspectives

RELATE TO LONDON 2018 IWT CONFERENCE CORE AIMS

- Eradicating the market for illegal wildlife products
- Ensuring effective legal frameworks and deterrents
- Strengthening law enforcement
- Supporting sustainable livelihoods and economic development

CONTRIBUTORS

Across the spectrum of those engaged in IWT-related research or applying an evidence-based approach to action to address IWT

EVENT OBJECTIVES

- **Underline the importance of evidence** in effectively tackling IWT and showcase existing research with real-world impact
- **Promote cross-sector collaboration** to use reliable evidence to increase the effectiveness of IWT actions
- **Provide policy-relevant and evidence-based suggestions** on how to tackle IWT

VENUE

ZSL London Zoo, NW1 4SX, UK
